We are looking to help those that have a harder time obtaining scholarships but have the passion and desire to succeed. High school GPA is only one factor considered.

The New Diana High School will select a scholarship committee to review applicants and select final candidates for interviews.

There will be four scholarship recipients for $1,250 each, over the course of the first 2 semesters. The scholarship amount will be directly issued to the 4 year university, 2 year junior college, or technical school upon proof of registration provided by the student.
